REQUEST FOR RECONSIDERATION

Sir:

In response to the Decision dated June 10, 2008, Applicants re-submit herewith the Statement by Christine M. Reyes including Examples 1-4 with Serial Numbers and dated entries added for clarification. The Decision regarding the "Petition to Withdraw Holding of Abandonment" states that "appropriate dockets required for relief are those records where the Notification would have been docketed for response." Applicant notes that page 4 of 4 of the Example pages attached to Christine M. Reyes' Statement show the record where the Notification would have been docketed, but was not. Example pages 1-3 show docket entries for other applications where Notices of Missing Parts were received within the same time frame for Serial Nos. 10/567,297; 10/567,145; and 10/567,295, and were docketed properly.

Applicants, therefore, request reconsideration of the "Petition to Withdraw Holding of Abandonment" in light of the above explanation of the clarified documents submitted herewith.

If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: August 8, 2008
